Quick Facts

Meeting Time(s)

Instructions

List all of your regular meetings. It's better to list a recurring schedule, such as "first Thurs of each month," than to list specific dates.

Meeting Location

A common entry in this field might be, "UUSF Center, see chalk board for room."

External Website (optional)

Does your group already have their own website?

Contact

Provide your official contact email here. It may be (a) a single personal/group email address or (b) a uusf.org address (see below) **plus** the personal/group address for forwarding.

UUSF can provide an email address in the format of `yourgroupname[at]uusf.org`, but you must provide an email address where this mail will be forwarded.

UUSF Membership Required

"Yes" or "no" if your group requires UUSF membership.

Committee/Group Dues

Does your committee/group charge dues beyond church membership tithes? An example might be "\$20 yearly to defray meeting costs."

Our Mission

Who are you? What do you do? Why do you do it?

Remember that you want others to know why your group is rewarding and/or fun.

How to Get Involved

This is your chance to invite new people and welcome them to your group. Why should they want to join you?

Additional Content

Group your content logically and provide titles for each grouping.

Continue writing on back if necessary or feel free to provide other attachments or printed materials along with instructions on how to use them.

Your Group in Action!

Please remember that we are requesting photos for your page. Feel free to provide as many as you like, but try to provide at least two or three. We'll pick the ones that work best on the web. Photos can be provided in digital format via email to websitevolunteer@juusf.org or prints left for Rob Pakenham at the uusf office.
