Sherry Delo

Sherry Brock Delo was born and raised in Springfield, Missouri, where she graduated from Drury University and shortly thereafter married Jack M. Delo. Career opportunities first took them to Wilmington, Delaware, where they were introduced to Unitarian Universalism by one of Sherry's colleagues at Sun Oil Company. Jack's career took them to Miami, Florida, and eventually to St. Paul, Minnesota, and Unity Church-Unitarian, a large and wonderful UU congregation.

Next came 35 years in St. Louis, MO, where Sherry founded Delo Advisors, a financial planning firm specializing in planning for multi-generational families and fighting for financial justice for women experiencing divorce.

Jack and Sherry retired to Berkeley in 2018 to be near their two daughters and their families, including four grandchildren. After researching and attending Unitarian churches closer to Berkeley, they chose to join UUSF with great certainty and delight, making history as part of the first "Zoom class" of new members in 2020.

Sherry and Jack co-chaired the 2024-25 Annual Canvass. Sherry currently serves on the Investment, Membership, and SCW Committees.
