

Dennielle Kronenberg (Nominating Committee) I have been attending UUSF since 2002, when I moved to San Francisco. UU Youth group was a big part of my adolescence, so I was drawn to supporting youth and families at UUSF. I have served as a youth group advisor, OWL teacher, and am now a member of our Family Ministry Committee. Outside of church, I am a social worker and have provided services to some of San Francisco's most marginalized youth and families for the last 15 years. I got married to my husband, Kevin, at UUSF in 2009. We live in a multigenerational household with our son Miles and his grandparents. In my spare time I enjoy gardening, reading, and learning Korean.
