

Board of Trustees

Diane Allen (incumbent)

Diane joined UUSF as a member in 2012. She has enjoyed being part of the Bell Choir, co-chair of the Nominating Committee, chair of the Holiday Fair committee, chair of the Mission/Vision Task Force, and helping with the courtyard planting project. Diane is currently serving as treasurer of the board.

Other community activities include the Marine Mammal Center (helping care for seal pups!), many years volunteering for voter protection, and serving as an Alameda County Master Gardener.

All of Diane's UUSF experiences have been so rewarding, especially working with wonderful congregation members. She hopes to continue contributing to the congregation's activities and vision through her work on the board.
